

The Southeastern Pennsylvania Synod has a website. The website contains a large amount of information about the synod and its activities. Sign up for the free weekly synod email newsletter at www.ministrylink.org

Synod and National News

Weathering the System

Are you beset by the storms of conflict and change? The Upper Bucks Conference invites you to learn about "Weathering the System" in **a one-day workshop on Saturday, January 21** at Emmanuel Lutheran Church, Souderton. Presentations will help you manage stress and learn skills to keep your footing when the storms are raging, find growth in conflict, understand your personality type and communicate more effectively, all in the context of Christian community. Keynote speaker is Sylvia Havlish, owner and founder of Inside Out Counseling and Seminars in Alburdis, PA. Cost for the 9 am to 3 pm workshop is just \$10 per person, including a light lunch, with a maximum of \$50 per congregation (so if more than five people attend from your church, you only pay \$50). Scholarships are available, and childcare will be provided.

All lay members and rostered leaders are invited. Em-

manuel Lutheran is located at 69 W. Broad St., Souderton, PA 18964. To register call Pastor Carolann Hopcke at 215.536.3193 or email christselca@verizon.net. Registration deadline is Tuesday, Jan. 17. *In the event of inclement weather, snow date is January 28.*

UPDATE SOCIAL MINISTRY

Caring for the community during January. Please select how you would like to minister to those in need.

While winter is here Social Ministry will be asking for help with several projects, all of which are known to you.

1. **Hope on the Hill** - Wed. January 25th Zion will be hosting the meal at *Hope on the Hill* at Spring City Methodist Church. Help will be needed to prepare and serve the meal. Please watch for sign up sheets. This is a wonderful way for us to help provide a meal and fellowship to those in need.

2. **Food Pantry:** Thanks to everyone who continues to provide food as well as plastic bags. The number of families we provide with food is increasing every week. We are now serving up to 100 families a week.

Project Outreach:

Please remember to bring non-perishable food donations and place in the shopping cart.

Thanks for your help,
Susan Davis.
