Dear Parishioners:  
Thank you again for the groceries which you sent to our Food Pantry Thursday morning. They are very much appreciated. Luckily we had a good crew on hand so it got stored away quickly.

We had 109 families come in this morning! It was a great turnout! Two of them were brand new clients! As you probably know they are all having a hard time these days.

We are fortunate to have so many good people helping us with supplies for the Pantry. Thank you again.

Sincerely,  
Jean F. Atwood, Co-Ordinator for our working team!
