Discussion Items:

- Pastor T. Mackie requested that the preschool not use the council room as a classroom. D. Platcheck, the director of the preschool, has tried to work around

the request by putting a desk in the hallway for speech therapy sessions but it has not worked out. D. Platcheck is requesting use of the council room for the speech therapy sessions. She would bring her own table and chairs into the room and not touch anything in the room. M. Shaw brought up that the Basket Raffle items are in the room which will continue to multiply as the date for the raffle comes closer. S. Moore said that if D. Platcheck keeps it to one student, one teacher we can give it a try and see what happens.

- Pastor T. Mackie noted that there are no pastoral candidates out there. It is very lean. Zion should seriously consider either sharing a pastor or hiring a part-time pastor.

-Need to have someone come in to look at the backup generator. It has not been looked at in years.

-Received a 2 year quote from Brian Alderman for plowing in the amount of \$5400/year for all the same services he has offered in the past including cleaning the patio. This price is higher than in the past due to raised fuel costs. S. Moore will ask D. Bauman to get one more quote. However, Brian and his crew do get to the church before the preschool opens. They also charge per year, not event. Most companies charge per event.
