Redner's Save-a-Tape Program

Each member must stop at the store office or Customer Service area to get a Save-A-Tape card. (This is your rewards shopping card). By using this card each time you purchase merchandise at Redner's Warehouse Markets, your receipt will be designated as a Save-A-Tape customer receipt. Please submit your grocery receipts to Zion in the white plastic box located on the table in front of the office window. Zion receives 1% of the Save-A-Tape total when the receipts are submitted to Redner's. The program has been working well for us and thank you for your support.
